I am an experienced radio presenter and audio narrator who provides authors with a professional audio narration service in addition to providing editorial services.

As most of my previous audio recordings are the property of my previous employer, I'm looking to build up my freelance portfolio and clientele. Because of this, I am delighted to offer

Incredible Introductory Rates!

A full contract will be provided, for signature by both parties.
The deadline date will be agreed, as will any optional extras.

Your audio reading will be provided in mp3 and wav format.
